

Fundación IDENTIDAD

By: Identidad Technologies

ABOUT US

Fundación Identidad is an initiative born to commemorate two decades of hard work and accomplishments with Identidad Technologies. As a company we wanted to show our gratitude and take the opportunity to give back to society through efforts that contribute to create a better world that provides equal opportunities for all.

OUR MISSION

We believe that the construction of a better world begins with equal opportunities that allow people and communities to create and set life aspirations based on personal fulfillments and dreams. Fundación Identidad aims to narrow the inequality gap through volunteering and the contribution of monetary and in-kind donations to organizations that create meaningful social impact on children's lives.

INITIATIVES WE SUPPORT

Fundación Mano Amiga. Zipaquirá, Colombia. Fundación Identidad fully sponsors children's access to quality education and has made a long term commitment to guarantee that each child will be able to attend school from the very start until graduation.

TAKE ACTION!

There are many ways you can contribute to our causes; we are always looking for like-minded people who know of projects and-or initiatives that are creating a compelling change in their communities or people who would like to take change into their own hands by contributing time and-or money. These are some of the ways you can take part in everything Fundación Identidad does:

1

Make a monetary donation:

Visit our webpage www.identidadfoundation.org and go to the "Donation" section at the bottom of the page, you can see our drop-down menu to find out more about the causes we are currently supporting. In this section you can pick a cause that you would like to back and the way you would like to contribute.

3

Become an Ambassador:

We are on the constant look-out for individuals who back projects or initiatives that work with communities to close the inequality gap. We design programs where we can channel funds for these causes and work hand in hand with people who proactively invest their energy in accomplishing goals with their NGO of choice.

2

Volunteer

Join our volunteering activities by visiting our webpage and looking for the "Volunteer" option in the drop down menu on the "Donation" section. We gladly accept voluntary services in time and skills.

4

Become a corporate sponsor:

Align your company, business, or brand with us so we can create more effective and compelling impact on a community. Let us know if you have an idea or would like to join our initiatives by contacting Maria Paulina Sánchez at: fundacion@identidadtech.com
